

Team Schedule Registration 2nd Block W26

Women's Flag Football & Men's 7 on 7 Football

Online team schedule registration will begin at 9:00 AM on Tuesday, February 17. Click on the Registration tab, then the Team Sports link. We anticipate these schedules selling out within the first hour of registration.

Team schedules are \$50. Team entry fees will be charged during online registration and are **non-refundable**. Team schedules may only be purchased by those who have an active My Financial Center account.

Do NOT purchase a team schedule if you are an individual wanting to join a team. Those who purchase a team schedule will be responsible to form their own team. For individuals who want to join a team, we recommend you sign up on the Free Agent List under the Registration Tab.

At the conclusion of the online registration period, regular season schedules will be built, and team schedules will be distributed at the Intramural Office – 145 Richards Building – beginning at 9:00 AM on Thursday, February 19. Return times and instructions for schedule distribution will be emailed to those purchasing schedules during the online registration period.

Entries are limited and participants are encouraged to register as soon as possible! A waitlist will be created for a sport that fills before the end of the online registration period. Teams on the waitlist will be contacted, in order, when or if a schedule becomes available.

Each participant may play for only one team per sport. There will be one or more divisions for each sport during regular season. At the conclusion of regular season, eligible teams will be placed in the tournament division that best fits their ability.
