RULES
Intramural Pickleball abides by the USAPA & International Federation of Pickleball Rules with the following exceptions or points of emphasis:

1. Match Format: During pool play, matches are timed 7-minute games (finish the point when time is called). Score is kept and reported to an Activity Supervisor. Seeding tiebreaker is determined by point differential. During tournament, matches are the best 2 out of 3 games played to 11 points win by 2, cap at 15.

2. Service and Scoring: The first serve of each side-out is made from the right-hand court if the server’s current score is even, and from the left-hand court if the server’s current score is odd. Points are scored only by the serving player.

3. Double-Bounce Rule: When the ball is served, the receiving player must let it bounce before returning, and then the serving player must let it bounce before returning, thus two bounces.

4. Non-Volley Zone (Kitchen): The non-volley zone is the court area within 7 feet on both sides of the net. Volleysing is prohibited within the non-volley zone.
